DAILY HOME SCREENING FOR STUDENTS

Please complete this short check each morning. If your child has any of these symptoms, please keep them home from school.

- Temperature above 100.0 degrees Fahrenheit
- Sore throat
- New uncontrolled cough that causes difficulty breathing
- Diarrhea, vomiting, or abdominal pain
- New onset of severe headache, especially with a fever
- New loss of taste or smell

If you answered yes to any of the items contact your child's healthcare provider for next steps.
