Blanson CTE High School Family Engagement Policy
2026-2027

This document is intended as a guide to help with revising your campus policy.
The FE Policy must be revised with the input of families and school staff to ensure it meets the needs of the community

Parent and Family Engagement (PFE) Program	
What is it?	**Blanson CTE** is committed to working with families as partners in their child's learning. We strive to provide high-quality education individualized for each student by developing and maintaining relationships with families. **Blanson CTE** participates in the Title I, Part A Schoolwide Program. This program provides funding for resources to support students in meeting the state standards.
Funding	Title I funds will be allocated to implement the parent and family engagement program. Such programs, activities, and procedures will be planned and implemented with meaningful consultation with the families of participating children. Families will have the opportunity to learn about, discuss, and provide feedback on how Title I funds support activities such as Saturday School, tutorials, and extracurricular activities during the annual Title I meetings.
Family Meetings/Activities	Family meetings and activities allow the school and family to communicate necessary information and work as partners to support student success. Meetings and activities will be offered in person, virtually, and at different times to support active participation. Families will be notified of meetings and activities by email and Talking Points. These meetings and activities will be offered twice a semester.
How to be involved	Throughout the school year, opportunities will be provided for family members to learn new knowledge and skills from other parents, community members, and educators. Information about these opportunities will be communicated via Talking Points and emails. ● Open House ● Parent-Teacher Conferences (all grade levels; can be conducted in person or virtual) ● Trunk or Treat ● Showcase ● Family Engagement Night ● Culturel Fest ● Donuts and Coffee with counselors and FACE ● Mental Health SEL Workshop
Curriculum	**Blanson CTE** utilizes a high-quality curriculum that supports student success. Math uses Bluebonnet and Carnegie and ELA and HMH, Science, Social Studies, and CTE are TEK driven campus based curriculum.
Forms of Academic Assessments	State exams such as STAAR, TELPAS, and MAP testing will be given. In addition, we do offer AP exams, and certification exams.
Expected Achievement levels on academic assessments	**Blanson CTE** tracks each child's growth throughout the year via the state and local assessments mentioned above. The State's Performance Standards can be found on this website: https://tea.texas.gov/student-assessment/testing/staar/staarperformance-standards
Ways to Request Regular Meetings	Families have the opportunity to share ideas, suggestions, or request meetings with teachers and staff members through email, phone, and Talking Points.
